WINTERGREEN MUSIC FESTIVAL

Wintergreen Music (formerly Wintergreen Performing Arts) began on June 25, 1995 at a meeting of mountain and valley property owners at Wintergreen Resort who shared a love for music. The group organized and held concerts in homes and various facilities throughout the community.

In 1997, the organization received its 501(c)(3) status and launched the first Wintergreen Summer Music Festival. Wintergreen Music continued to grow in scale and today it presents a full month of outstanding, memorable, and surprising musical offerings from the Mountaintop and throughout Nelson County.

Wintergreen Music Festival (WMF) takes place every July for four weeks with "music to match the views." The Wintergreen Festival Orchestra is comprised of Wintergreen Festival Artists, who come from top orchestras, chamber music societies, and faculty rosters around the country. These talented musicians perform music from many genres, including classical, jazz, Motown, bluegrass, and more.

You'll experience breathtaking concerts on the Mountaintop and uniquely intimate performances including "concert wine tastings" in wineries, cideries, and breweries – a true summer escape for everyone!

HOST A MUSICIAN

"Hosting musicians in our home was more of a gift than we could ever have anticipated. Hearing them practice was like having a private concert in our home. We enjoyed getting to know two fine young musicians who have dedicated their careers to making wonderful music. We would gladly host festival musicians again in a heartbeat."

Are you interested in hosting a musician?

Year after year, many of our host families generously provide housing for our Festival artists. This speaks to the positive experience that this opportunity has to offer and the lasting friendships that develop.

What does hosting a musician require?

A bed and some refrigerator space. That's all! You can host for several days, a weekend, or the entire Festival (July 4-28) – we will accommodate whatever is best for you. As a thank you for hosting, you will receive the following benefits:

- 2 free tickets to a Festival concert*
- An invitation to the exclusive Musicians' Picnic
- Recognition from Wintergreen Music
- If requested, professional cleaning upon your musician's departure
- Tax benefits (consult your Financial Advisor)
- Optional cleaning services or in-kind tax document
